Dear Sir:

Submitted herewith is one drawing (Figure 4) for filing in the above-identified patent application. Kindly substitute the enclosed drawing for the drawing Figure 4 submitted with the originally filed application and the substitute drawing of Figure 4 submitted February 20, 2002.

Objections to both drawings were made during prosecution. Substitute drawings were submitted February 28, 2002 in response to the Notice to File Corrected Application Papers dated December 31, 2001. The Office communication dated December 4, 2002 contained an objection to the substitute drawings. Applicant's submission of Formal Drawings dated November 26, 2003 was approved even though a formal copy of drawing Figure 4 had been inadvertently omitted.

Docket No.: M4065.0811/P811

Entry of the attached replacement copy of drawing Figure 4 and re-passage of the application to issuance is requested.

Dated: August 10, 2005

Respectfully submitted,
